RESOLVED by the Board of Supervisors of the City and County of San
Francisco, as follows:

Section 1. Recitals. All of the recitals in this Resolution are true and correct.
Section 2. Conditions Precedent. All conditions, things and acts required by law to exist, to happen and to be performed precedent to the issuance of the Series 2020D Bonds and the adoption of this Resolution exist, have happened and have been performed in due time, form and manner in accordance with applicable law, and the City is now authorized pursuant to the Bond Election and the Charter and applicable law to incur indebtedness in the manner and form provided in this Resolution.

Section 3. Documents. The documents presented to the Board of Supervisors and on file with the Clerk of the Board of Supervisors or designee thereof ("Clerk of the Board of Supervisors") are contained in File No. ______.

Section 4. Issuance and Sale of Series 2020D Bonds; Determination of Certain Terms; Designation. The Board hereby authorizes the issuance and sale of not to exceed $126,925,000 in aggregate principal amount of Bonds to be designated as “City and County of San Francisco General Obligation Bonds (Public Health and Safety, 2016), Series 2020D” (or such other designation as may be necessary or appropriate), for the purposes set forth in the Bond Ordinance and in the 2016 Proposition A approved by the voters at the Bond Election.

The Director of Public Finance of the City or designee thereof ("Director of Public Finance") is authorized to determine, for the Series 2020D Bonds, the sale date, the interest rates, the definitive principal amount, the maturity dates and the redemption dates, if any, and the terms of any optional or mandatory redemption, subject to the other specific provisions of this Resolution, including the following terms and conditions: (i) the Series 2020D shall not have a true interest cost (as such term is defined in the Official Notice of Sale (as defined in Section 14(a) hereof)) in excess of 12%; (ii) no Series 2020D Bond shall have a coupon in excess of twelve percent (12%), as is mandated by Title 5, Article 4.5, Section 53508(d) of the Government Code; and (iii) the Series 2020D Bonds shall have a final
maturity date no later than 30 years after the date of issuance thereof. The Director of Public Finance is further authorized to give the Series 2020D Bonds such additional or other series designation, or to modify such series designation, as may be necessary or appropriate to distinguish the Series 2020D Bonds from every other series of Bonds and from other bonds issued by the City, and in the event the Series 2020D Bonds shall consist of multiple series or subseries, there may be one or more maturities in the first year following the issuance of the Series 2020D Bonds, which maturity dates may be determined by the Director of Public Finance.

Section 5. Execution, Authentication and Registration of the Series 2020D Bonds. Each of the Series 2020D Bonds shall be in fully registered form without coupons in denominations of $5,000 or any integral multiple thereof. The officers of the City are hereby directed to cause the Series 2020D Bonds to be prepared in sufficient quantity for delivery to or for the account of the purchaser thereof and the Controller of the City or designee thereof (“Controller”) is hereby authorized and directed to cause the blanks in the Series 2020D Bonds to be completed in accordance with the Authorizing Resolution, the Bond Award (as defined in Section 14(b) hereof) and/or the Purchase Contract (as defined in Section 16 hereof), to procure their execution by the proper officers of the City (including by facsimile signature if necessary or convenient, excluding any facsimile signature for the Clerk of the Board, which shall be required to be signed manually) and authentication as provided in this Section 5, and to deliver the Series 2020D Bonds when so executed and authenticated to said purchaser in exchange for the purchase price thereof, all in accordance with the Authorizing Resolution.

The Series 2020D Bonds and the certificate of registration and authentication, to be manually executed by the Treasurer of the City or designee thereof (“City Treasurer”),
and the form of assignment to appear on the Series 2020D Bonds shall be substantially in
the form attached hereto as Exhibit A (a copy of which is on file with the Clerk of the Board
and which is hereby declared to be a part of this Resolution as if fully set forth in this
Resolution), with such necessary or appropriate variations, omissions and insertions as
permitted or required by this Resolution.

Only Series 2020D Bonds bearing a certificate of registration and
authentication executed by the City Treasurer shall be valid or obligatory for any purpose or
entitled to the benefits of the Authorizing Resolution and this Resolution, and such certificate
of the City Treasurer, executed as provided in this Resolution, shall be conclusive evidence
that the Series 2020D Bonds so authenticated have been duly authenticated and delivered
under, and are entitled to the benefits of, the Authorizing Resolution and this Resolution.

The Controller shall assign a distinctive letter, or number, or letter and number
to each Series 2020D Bond authenticated and registered by the City Treasurer and shall
maintain a record thereof which shall be available for inspection.

Section 6. Registration Books. The City Treasurer shall keep or cause to be
kept, at the office of the City Treasurer, or at the designated office of any registrar appointed by
the City Treasurer, separate and sufficient books for the registration and transfer of Series
2020D Bonds, which books shall at all times be open to inspection, and upon presentation for
such purpose, the City Treasurer shall, under such reasonable regulations as he or she may
prescribe, register or transfer or cause to be registered or transferred, on said books Series
2020D Bonds, as provided in this Resolution. The City and the City Treasurer may treat the
registered owners of each Series 2020D Bond in such registration book (“Registered Owners”)
as the absolute owners thereof for all purposes, and the City and the City Treasurer shall not be
affected by any notice to the contrary.
Section 7. Transfer or Exchange of Series 2020D Bonds. Any Series 2020D Bond may, in accordance with its terms, be transferred upon the registration books required to be kept pursuant to the provisions of Section 6 hereof, by the Registered Owner, in person or by the duly authorized attorney of such person in writing, upon surrender of such Series 2020D Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the City Treasurer.

Any Series 2020D Bond may be exchanged at the office of the City Treasurer for a like aggregate principal amount of other authorized denominations of the same interest rate and maturity.

Whenever any Series 2020D Bond shall be surrendered for transfer or exchange, the designated City officials shall execute (as provided in Section 5 hereof) and the City Treasurer shall authenticate and deliver a new Series 2020D Bond of the same interest rate and maturity in a like aggregate principal amount. The City Treasurer shall require the payment by any Registered Owner requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer or exchange.

No transfer or exchange of Series of 2020D Bonds shall be required to be made by the City Treasurer during the period from the Record Date (as defined in Section 8(b)) next preceding each interest payment date to such interest payment date or after a notice of redemption shall have been mailed with respect to such Series 2020D Bonds.

(a) Date of the Series 2020D Bonds. The Series 2020D Bonds shall be dated the date of their delivery or such other date (“Dated Date”), as specified in the Bond Award and/or the Purchase Contract.
Payment of the Series 2020D Bonds. The principal of the Series 2020D Bonds shall be payable in lawful money of the United States of America to the Registered Owner thereof, upon the surrender thereof at maturity or earlier redemption at the office of the City Treasurer. The interest on the Series 2020D Bonds shall be payable in like lawful money to the Registered Owner whose name appears on the bond registration books of the City Treasurer as the Registered Owner thereof as of the close of business on the last day of the month immediately preceding an interest payment date (“Record Date”), whether or not such day is a Business Day (as defined below).

Except as may be otherwise provided in connection with any book-entry only system applicable to the Series 2020D Bonds, payment of the interest on any Series 2020D Bond shall be made by check mailed on the interest payment date to its Registered Owner at such Owner’s address as it appears on the registration books as of the Record Date; provided, however, if any interest payment date occurs on a day that banks in California or New York are closed for business or the New York Stock Exchange is closed for business, then such payment shall be made on the next succeeding day that banks in both California and New York are open for business and the New York Stock Exchange is open for business (each, a “Business Day”); and provided, further, that the Registered Owner of an aggregate principal amount of at least $1,000,000 of Series 2020D Bonds may submit a written request to the City Treasurer on or before a Record Date preceding an interest payment date for payment of interest on the next succeeding interest payment date and thereafter by wire transfer to a commercial bank located within the United States of America.

For so long as any Series 2020D Bonds are held in book-entry form by a securities depository selected by the City pursuant to Section 11 hereof, payment of principal and interest shall be made to the Registered Owner of the Series 2020D Bonds designated by such securities depository by wire transfer of immediately available funds.
(c) Interest on the Series 2020D Bonds. The Series 2020D Bonds shall bear interest at rates to be determined upon the sale of the Series 2020D Bonds, calculated on the basis of a 360-day year comprised of twelve 30-day months, payable on June 15, 2021 (or such other date as may be designated in the applicable Bond Award and/or the Purchase Contract), and semiannually thereafter on June 15 and December 15 of each year. Each Series 2020D Bond shall bear interest from the interest payment date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the Record Date next preceding any interest payment date to the interest payment date, inclusive, in which event it shall bear interest from such interest payment date, or unless it is authenticated on or before the first Record Date, in which event it shall bear interest from the Dated Date; provided, however, that if, at the time of authentication of any Series 2020D Bond, interest is in default on the Series 2020D Bonds, such Series 2020D Bond shall bear interest at its stated rate from the interest payment date to which interest has previously been paid or made available for payment on the Series 2020D Bonds or from the Dated Date if the first interest payment is not made.

(d) Optional Redemption. The Series 2020D Bonds shall be subject to optional redemption prior to maturity as provided in the Official Notice of Sale, the Bond Award and/or the Purchase Contract.

(e) Mandatory Redemption. The Series 2020D Bonds shall be subject to mandatory redemption at par, by lot, in any year in which the purchaser thereof has designated that the principal amount payable with respect to that year shall constitute a mandatory sinking fund payment, as and to the extent provided in the Official Notice of Sale and/or Purchase Contract. Any Series 2020D Bonds subject to mandatory redemption shall be designated as such in the Official Notice of Sale, the Bond Award and/or the Purchase Contract. The principal of and interest on the Series 2020D Bonds subject to mandatory
redemption shall be paid from the applicable Series 2020D Bond Subaccount (as defined in Section 9 hereof), pursuant to Section 9 hereof. In lieu of any such mandatory redemption for the Series 2020D Bonds, at any time prior to the selection of the Series 2020D Bonds for mandatory redemption, the City may apply amounts on deposit in the applicable Series 2020D Bond Subaccount to purchase Series 2020D Bonds subject to such redemption, at public or private sale, as and when and at such prices not in excess of the principal amount thereof (including sales commission and other charges but excluding accrued interest), as the City may determine.

(f) Selection of Series 2020D Bonds for Redemption. Whenever less than all of the outstanding Series 2020D Bonds are called for redemption on any date, the City Treasurer will select the maturities of the Series 2020D Bonds to be redeemed in the sole discretion of the City Treasurer. Whenever less than all of the outstanding Series 2020D Bonds maturing on any one date are called for redemption on any one date, the City Treasurer will select the Series 2020D Bonds or portions thereof, in denominations of $5,000 or any integral multiple thereof, to be redeemed from the outstanding Series 2020D Bonds maturing on such date not previously selected for redemption, by lot in any manner which the City Treasurer in its sole discretion deems fair. If the Series 2020D Bonds to be optionally redeemed are also subject to mandatory redemption, the City Treasurer shall designate the mandatory sinking fund payment or payments (or portions thereof) against which the principal amount of the Series 2020D Bonds optionally redeemed shall be credited.

(g) Notice of Redemption. The date on which Series 2020D Bonds that are called for redemption are to be presented for redemption is herein called the “Redemption Date.” The City Treasurer shall mail, or cause to be mailed by its agent, including but not limited to an Escrow Agent, notice of any redemption of Series 2020D Bonds, postage prepaid, to the respective Registered Owner thereof at the addresses appearing on the
registration books not less than twenty (20) days nor more than sixty (60) days prior to the
Redemption Date. The notice of redemption shall (i) state the Redemption Date; (ii) state the
redemption price; (iii) state the maturity dates of the Series 2020D Bonds to be redeemed
and, if less than all of any such maturity is called for redemption, the distinctive numbers of
the Series 2020D Bonds of such maturity to be redeemed, and in the case of any Series
2020D Bonds to be redeemed in part only, the respective portions of the principal amount
thereof to be redeemed; (iv) state the CUSIP number, if any, of each Series 2020D Bond to
be redeemed; (v) require that such Series 2020D Bonds be surrendered by the Registered
Owners at the office of the City Treasurer or his or her agent; and (vi) give notice that interest
on such Series 2020D Bonds or portions of such Series 2020D Bonds to be redeemed will
cease to accrue after the designated Redemption Date. Unless funds are on deposit in the
Series 2020D Redemption Account for any Series 2020D Bonds called for redemption on the
date the notice of redemption is given, redemption shall be conditioned on sufficient moneys
to redeem such bonds being on deposit in the Series 2020D Redemption Account for the
Series 2020D Bonds called for redemption on the Redemption Date, and if sufficient moneys
to redeem the Series 2020D Bonds called for redemption are not on deposit in the Series
2020D Redemption Account for such Series 2020D Bonds on the Redemption Date, the
Series 2020D Bonds called for redemption shall not be redeemed and shall remain
Outstanding for all purposes of this Resolution and the redemption not occurring shall not
constitute an event of default under this Resolution.

The actual receipt by the Registered Owner of any Series 2020D Bond of notice of such
redemption shall not be a condition precedent to redemption, and failure to receive such
notice, or any defect in such notice so mailed, shall not affect the validity of the proceedings
for the redemption of such Series 2020D Bonds or the cessation of accrual of interest on
such Series 2020D Bonds on the Redemption Date.
The notice or notices required for redemption shall be given by the City Treasurer, or any agent appointed by the City. A certificate of the City Treasurer or such other appointed agent of the City that notice of redemption has been given to the Registered Owner of any Series 2020D Bond in accordance with this Resolution shall be conclusive against all parties.

(h) Series 2020D Redemption Account. At the time the City Treasurer determines to optionally call and redeem any of the Series 2020D Bonds, the City Treasurer or his or her agent shall establish a redemption account to be described or known as the “General Obligation Bonds (Public Health and Safety, 2016), Series 2020D Redemption Account” (“Series 2020D Redemption Account”), and prior to or on the Redemption Date there must be set aside in the Series 2020D Redemption Account moneys available for the purpose which, taken together with any interest earned thereon, will be sufficient to redeem, as provided in this Resolution, the Series 2020D Bonds designated in said notice of redemption, subject to the provisions of Section 8(j) hereof. Said moneys must be set aside in the Series 2020D Redemption Account solely for the purpose of, and shall be applied on or after the Redemption Date to, payment of the redemption price of the Series 2020D Bonds to be redeemed upon presentation and surrender of such Series 2020D Bonds. Any interest due on or prior to the Redemption Date may be paid from the applicable Series 2020D Bond Subaccount as provided in Section 9 hereof or from the Series 2020D Redemption Account. Moneys held from time to time in the Series 2020D Redemption Account shall be invested by the City Treasurer pursuant to the City’s policies and guidelines for investment of moneys in the General Fund of the City. If, after all of the Series 2020D Bonds called for redemption have been redeemed and canceled or paid and canceled, there are moneys remaining in the Series 2020D Redemption Account, said moneys shall be transferred to the General Fund of
the City or to such other fund or account as required by applicable law; provided, however, that if said moneys are part of the proceeds of refunding bonds, said moneys shall be transferred pursuant to the resolution authorizing such refunding bonds.

(i) **Effect of Redemption.** When notice of optional redemption has been given, substantially as provided in this Resolution, the Series 2020D Bonds designated for redemption shall become due and payable on the Redemption Date therefor (subject to the condition set forth in Section 8(g) herein and any conditions set forth in the notice of redemption pursuant to subsection (j) of this Section), and upon presentation and surrender of said Series 2020D Bonds at the place specified in the notice of redemption, such Series 2020D Bonds shall be redeemed and paid at said redemption price out of the Series 2020D Redemption Account. No interest will accrue on such Series 2020D Bonds called for redemption after the Redemption Date and the Registered Owners of such Series 2020D Bonds shall look for payment of such Series 2020D Bonds only to the Series 2020D Redemption Account. All Series 2020D Bonds redeemed shall be canceled forthwith by the City Treasurer and shall not be reissued.

(j) **Conditional Notice of Redemption; Rescission of Redemption.** Any notice of optional redemption given as provided in Section 8(g) hereof may provide that such redemption is conditioned upon: (i) deposit in the Series 2020D Redemption Account of sufficient moneys to redeem the Series 2020D Bonds called for optional redemption on the anticipated Redemption Date, or (ii) the occurrence of any other event specified in the notice of redemption. If conditional notice of optional redemption has been given, substantially as provided herein, and on the scheduled Redemption Date (A) sufficient moneys to redeem the Series 2020D Bonds called for optional redemption on the Redemption Date have not been deposited in the Series 2020D Redemption Account, or (B) any other event specified in the notice of redemption as a condition to the redemption has not occurred, then (1) the Series
2020D Bonds for which conditional notice of redemption was given shall not be redeemed on
the anticipated Redemption Date and shall remain Outstanding for all purposes of this
Resolution, and (2) the redemption not occurring shall not constitute an event of default
under this Resolution or the Authorizing Resolution.

The City may rescind any optional redemption and notice thereof for any
reason on any date prior to any Redemption Date by causing written notice of the rescission
to be given to the Registered Owners of all Series 2020D Bonds so called for redemption.
Notice of such rescission of redemption shall be given in the same manner notice of
redemption was originally given. The actual receipt by the Registered Owner of any Series
2020D Bond of notice of such rescission shall not be a condition precedent to rescission, and
failure to receive such notice or any defect in such notice so mailed shall not affect the
validity of the rescission.

Section 9. Series 2020D Bond Subaccount. There is hereby established with
the City Treasurer a special subaccount in the General Obligation Bonds (Public Health
and Safety, 2016) Bond Account (“Bond Account”) created pursuant to the Authorizing
Resolution to be designated the “General Obligation Bonds (Public Health and Safety,
2016), Series 2020D Bond Subaccount” and, in the event the Series 2020D Bonds shall
consist of multiple series or subseries, a special subaccount therein for each such series or
subseries (individually and collectively, the “Series 2020D Bond Subaccount”), the
designation of which subaccounts may be approved by the Director of Public Finance, each
to be held separate and apart from all other accounts of the City. All taxes collected
pursuant to Section 7 of the Authorizing Resolution shall be deposited in the Bond Account,
and the Bonds shall be equally and ratably secured by the taxes collected pursuant to that
Section 7 of the Authorizing Resolution. In addition, principal and interest on the Bonds
shall be secured by the statutory lien of California Government Code Section 53515. Any
bid premium received upon the delivery of the Series 2020D Bonds shall be deposited into
the applicable Series 2020D Bond Subaccount. All interest earned on amounts on deposit
in each Series 2020D Bond Subaccount shall be retained in such Series 2020D Bond
Subaccount.

On or prior to the date on which any payment of principal of or interest on the
Series 2020D Bonds is due, including any Series 2020D Bonds subject to mandatory
redemption on said date, the City Treasurer shall allocate to and deposit in the Series
2020D Bond Subaccount, from amounts held in the Bond Account, an amount which, when
added to any available moneys contained in such Series 2020D Bond Subaccount, is
sufficient to pay principal of and interest on the Series 2020D Bonds on such date.

On or prior to the date on which any Series 2020D Bonds are to be redeemed
at the option of the City pursuant to this Resolution, the City Treasurer may allocate to and
deposit in the Series 2020D Redemption Account, from amounts held in the Bond Account
pursuant to Section 8 of the Authorizing Resolution, an amount which, when added to any
available moneys contained in the Series 2020D Redemption Account and any interest to be
earned thereon between the date moneys are deposited and the Redemption Date, is
sufficient to pay principal, interest and premium, if any, with respect to such Series 2020D
Bonds on such date. The City Treasurer may make such other provision for the payment of
principal of and interest and any redemption premium on the Series 2020D Bonds as is
necessary or convenient to permit the optional redemption of the Series 2020D Bonds.

Amounts in the Series 2020D Bond Subaccount may be invested in any
investment of the City in which moneys in the General Fund of the City are invested. The
City Treasurer may (i) commingle any of the moneys held in the Series 2020D Bond
Subaccount with other City moneys, or (ii) deposit amounts credited to the Series 2020D
Bond Subaccount into a separate fund or funds for investment purposes only; provided,
however, that all of the moneys held in each Series 2020D Bond Subaccount shall be
accounted for separately notwithstanding any such commingling or separate deposit by the City Treasurer.

Section 10. Series 2020D Project Subaccount. There is hereby established with the City Treasurer a special subaccount in the General Obligation Bonds (Public Health and Safety, 2016) Project Account (“Project Account”) created pursuant to the Authorizing Resolution to be designated the “General Obligation Bonds (Public Health and Safety, 2016), Series 2020D Project Subaccount”, and in the event the Series 2020D Bonds shall consist of multiple series or subseries, a special subaccount therein for each such series or subseries (individually and collectively, the “Series 2020D Project Subaccount”), the designation of which subaccounts may be approved by the Director of Public Finance, each to be held separate and apart from all other accounts of the City. All interest earned on amounts on deposit in each Series 2020D Project Subaccount shall be retained in such Series 2020D Project Subaccount. Amounts in the Series 2020D Project Subaccount shall be expended in accordance with the provisions of the Authorizing Resolution for the acquisition, construction or reconstruction of the Project or portions thereof.

Amounts in the Series 2020D Project Subaccount may be invested in any investment of the City in which moneys in the General Fund of the City are invested. The City Treasurer may (i) commingle any of the moneys held in the Series 2020D Project Subaccount with other City moneys, or (ii) deposit amounts credited to the Series 2020D Project Subaccount into a separate fund or funds for investment purposes only; provided, however, that all of the moneys held in each Series 2020D Project Subaccount (including interest earnings) hereunder shall be accounted for separately notwithstanding any such commingling or separate deposit by the City Treasurer.

The City Treasurer also is hereby authorized to pay or cause to be paid from the proceeds of the Series 2020D Bonds on deposit in each Series 2020D Project Subaccount.
Subaccount, on behalf of the City, the costs of issuance associated with such
Series 2020D Bonds. Costs of issuance of the Series 2020D Bonds shall include, without
limitation, bond and financial printing expenses, mailing and publication expenses, rating
agency fees, the fees and expenses of paying agents, registrars, financial consultants, co-
disclosure counsel and co-bond counsel and the reimbursement of departmental expenses
in connection with the issuance of the Series 2020D Bonds.

Section 11. Appointment of Depositories and Other Agents; Paying Agent
Agreement. The City Treasurer is authorized and directed to appoint one or more
depositories as he or she may deem desirable and the procedures set forth in Sections 6, 7

(b) **Use of Proceeds.** The City shall not take any action, or fail to take any action, if any such action or failure to take action would cause the Series 2020D-1 Bonds to be “private activity bonds” within the meaning of Section 141 of the Code, and in furtherance thereof, shall not make any use of the proceeds of the Series 2020D-1 Bonds or any of the property financed or refinanced with proceeds of the Series 2020D-1 Bonds, or any portion thereof, or any other funds of the City, that would cause the Series 2020D-1 Bonds to be “private activity bonds” within the meaning of Section 141 of the Code. (e) Information Reporting. The City shall take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code with respect to the Series 2020D-1 Bonds.

The approval of any change, addition, amendment or modification to any of the aforementioned documents shall be evidenced conclusively by the execution and delivery of the document in question.
